2nd REQUEST FOR SUMMARY OF INTERVIEW

Mail Stop AF
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Madam/Sir:

This is a second request for a summary of the interview which took place between the Examiner and the Applicant on August 16, 2006, at 11:00 PCT. The Examiner and the Applicant discussed two (2) questions. The first question was whether a declaration of fact by an inventor made under 37 CFR 1.131 can be used to support more than a single argument for antedating a prior art reference. The second question was whether the Applicants' declaration as submitted would support the requirements for establishing conception and due diligence during the entire period.

"In order to provide a complete application file history and to enhance the clarity of the prosecution history record, an examiner must provide clear explanations of all actions taken by the examiner during prosecution of an application". MPEP 707.07(f). The Examiner is requested to fully explain, the ground for the rejection or otherwise to reconsider the ground for the rejection.

Respectfully submitted,
